

PE

Earrings need to be removed and hair needs to be tied up.

Children should still wear their PE kits to school. In term 1 we are learning Football with an external coach and Tri-Golf.

Experience Days

We have a variety of upcoming experience days and events for you to be aware of:

Viking Day – Term 2

CAT testing – Term 3

School Trip – Term 3 (TBC)

Science day – Term 4

Multiplication Tables Check – Term 6

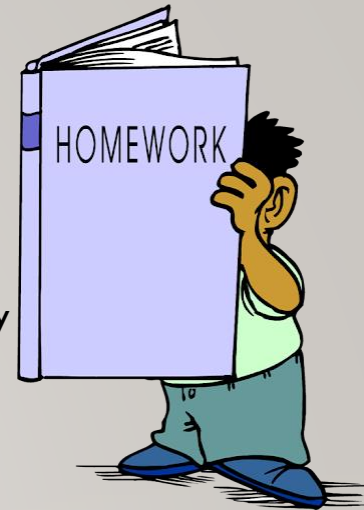

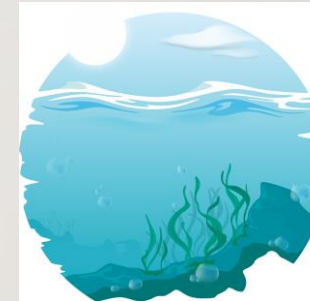

Greek day – Term 6

Library

The children will change their books in the library on Tuesday.

Year 4

Homework

Homework will be set every Friday and will be due in on the following Wednesday.

Homework is set via a termly sheet of suggested activities linked to our work this term.

We do expect children to also read regularly and practice their times tables.

Reading

Reading regularly with your child is so important. It helps to develop their vocabulary, understanding and ability to discuss and explain events with others., not just in reading, but across the whole curriculum. Reading daily with your child has a significant impact, and we encourage daily reading as often as possible. The sheet provided has several styles of questions to ask your child whilst reading with them to develop their reading skills further.

Multiplication Tables Check

In Year 4, your children will be taking the Multiplication Check in Term 6.

They need to answer 25 times tables questions, but they will only have 6 seconds per question.

It is so important that your children are confident with their times tables by the end of the year, so please practice them regularly at home.

The times tables book we are providing, and letter with additional information will help with this.
