

Miers Court Primary School

Autumn Term 2025

Year 6: Term 1

Shining Bright, Aiming High

PE Kits

Our PE lessons are on Tuesdays and Thursdays this term. Children should come to school wearing their PE kit. **Pegasus Class will be swimming on Thursday afternoons.**

If the weather prevents a PE lesson, we will let your child know when the rescheduled lesson will be.

No jewellery should be worn to school on these days (watches and Fitbits may be removed prior to the lesson at school). Hair should be tied back on the day of PE.

PG films

As part of our work, there are occasions when we would like to watch PG rated films. If you have concerns about this please contact us; otherwise we will assume consent is given.

Daily times

8:35 - start of day
15:25 - end of day

Friday:

8:35 start of day
13:10 - end of day (unless staying for Friday Club)

English

Reading and writing lessons will link to our brand-new text written by Nicola Penfold. The story follows a brother and sister who are struggling to live in a walled city where nature has been banished.

Science

In Science, our first topic is 'The Circulatory System'. We will be learning all about the heart, how it works and carrying out some interesting investigations.

Reading

Children have now chosen a library book to read at home regularly. This book matches to their current Accelerated Reader code/level.

Please encourage daily reading (school books or books from home) and discuss their reading with them. Please sign your children's reading record regularly.

How can we save our world?

We have started the new academic year with a brand-new topic for Year 6.

The children will be exploring the wider world - identifying the continents and oceans of the world, comparing different climate zones and biomes as well as discussing how local actions connect to global outcomes.

This will include work across the curriculum. If you have any stories, photographs, artefacts linked to this topic, it would be lovely for you to share these in class!

Y6 Welcome Meeting

These meetings will be an opportunity for the team to share some key information with parents, and also for you to have an opportunity to see your child's classroom.

Date and time to follow soon.

Communication

The children will not be given a contact diary as all communication will be delivered via Dojo. Please let your child's teacher know if you are having any issues with using this platform. The school office email address is office@mcps.school should you need to contact the school.

The children will still receive a reading record book. Please encourage them to ensure their reading record is up to date.

And finally...

If you have any questions or queries about how to help your child, or any concerns, please do not wait until the next official meeting - contact us anytime!

The Year 6 team
