

Welcome to Term 4!

We hope you have had a good break. We're looking forward to our new topic where we will focus our learning on the impact of WW2.

World War II

Our topic will be linked to World War 2, focusing on what impact it has had on our lives today. We would love to hear any stories (or see memorabilia!) Year 6 may have.

PE kits

P.E will be on a Tuesday (outdoor) and Thursday (indoor). Please make sure you have suitable clothing and footwear on these days as we will continue to go outside as much as possible on Tuesdays.

Children are to wear school uniform on Wednesdays.

All jewellery and fitness watches will need to be removed for PE lessons. While the weather is colder, children must wear jumpers as well as trousers.

English

In English, the children will be reading a range of texts related to our topic. They will be producing cross-curricular writing in a variety of different genres.

Maths

In Maths, we will be continuing to look at a variety of topics. We will be recapping areas of learning and applying understanding to problems. We will also continue to explore SATs style questions: arithmetic and reasoning.

Impact of absence

One of our aims in Y6 is to support the children in developing skills needed for secondary school — independence, being organised and taking responsibility for actions.

If children miss a considerable amount of time from school, they will miss: revision of key skills to prepare for SATs, planning time for pieces in writing folders and being exposed to a range of challenging texts.

Homework

Thank you for continuing to support your child with their homework. If your child is struggling with any aspects, we are happy to support them.

.. and finally

Thank you for your continued support. Please contact us if you have any concerns.
