

Miers Court Primary School

Term 2 2024

PE kits

Our PE lessons will continue to be on Tuesdays (outdoor) and Thursdays (indoor for Pegasus and swimming for Phoenix) this term.

Please provide children with a **plain t-shirt, shorts, trousers, PE jumper, socks and trainers.**

All jewellery and fitness watches will need to be removed for PE lessons.

Reading

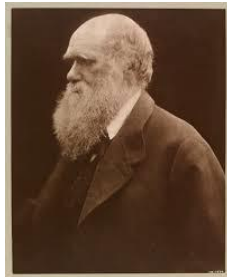

We are encouraging children to choose a book that challenges them and will extend their knowledge of authors and vocabulary. Please encourage daily reading (school books or books from home) and discuss their reading with them.

Please sign your children's reading record regularly.

Science

In Science, our topic is 'Evolution and inheritance'.

We will be looking at the work of Charles Darwin.

Daily times

8:35 - start of day
15:25 - end of day

Friday:

8:35 start of day
13:10 - end of day

(unless staying for Friday Club)

Year 6 Cake and Craft Sale

Year 6 will be hosting their first fundraiser for the school's lasting gift.

More information to follow!

The Victorians -

What is their legacy?

Our topic this term looks at the changes which occurred during the Victorian era. We will be looking at changes in how people lived, worked and played. In English, we will be looking at the modern classic 'Street Child'.

This will include work across the curriculum.

Homework Diaries

We are promoting the children being independent with their homework diaries in preparation for secondary school. Homework diaries should come home every day with the children; please check regularly as we do sometimes put notes in for you!

Times Table Rock Stars

It's been lovely to see how enthused our children have been to practise their multiplication and division facts through TTRS. We ask that your child practises this at least 50 minutes per week.

Victorian Day

We will be having a Victorian Day in December (date to follow). The children are encouraged to dress up for this.

(A letter about Victorian day will be sent out with more information).

And finally...

If you have any questions or queries about how to help your child, or any concerns, please do not wait until the next official meeting - contact us anytime!

The Year 6 team
