

Year 1

Autumn Term 2

Welcome to Term 2!

Our theme this term is "Lost in the Toy Museum: How have things changed?"

To kickstart this term we will be asking you to create a family tree! This helps the children to look at the history in their own family. The children can bring in copies of photos to share with their family tree. We will endeavour to take care of these photos but please don't send in anything precious. We will be using your photos and trees in our homework display. We are really looking forward to finding out all about the past, and in particular, toys from the past.

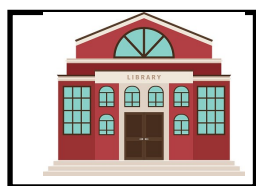

We are really looking forward to finding out all about the past, and in particular, toys from the past.

Exciting events

We have a lot of events to look forward to this term, including friendship week and Children in Need day. Please do look at the bottom of Miers Court Matters for a list of dates for the term.

Also, we shall be busy practising our Nativity show. We really look forward to being able to invite parents in to watch the children perform. We will let you know as soon as we can what your child will be in the show.

Library

Year 1 visit the school library every Thursday. Please remember to send your child into school with their library book every Thursday so that they can return it and take out a new book.

Maths

Please remember that we are using Numbots in Year 1. The children really enjoyed exploring this in class.

Please take the time to enjoy the App with your child. In class we shall be starting addition and subtraction and learning our number bonds to 10.

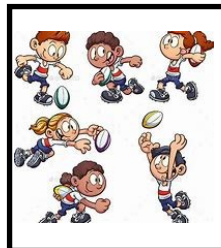

Hats, gloves and scarves

With temperatures due to get colder from now on, we are aware that most of you would like to provide your child with a scarf, hat and gloves to keep them warm during playtimes. As with all other items of uniform, it is vital these items are clearly named. Clothing which is unnamed will be put into lost property if it is unclaimed.

PE

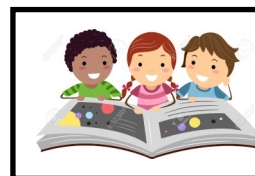

PE will continue to be on a **Monday** and a **Thursday**. Your child will need to come to school in a PE t-shirt, shorts, trainers, jogging bottoms, and a jumper. Please name the jumpers as they can tend to get mixed up! No jewellery is permitted and we cannot remove any earrings so **please ensure** you do this on these days.

Also, please do put your child's name in their school jumpers. We had a number of jumpers go missing or get mixed up in term 1.

Reading

In Year 1 we encourage the children to read their school book or other books **every day**. They may read the whole book or as many pages as they can comfortably manage. Please sign/ initial the **yellow reading record** to show your child has read and indicate the page number they have got to, or write 'end' if they have finished the whole book. Please send your book in every day, whether your child has read or not. Our focus, in year 1, is decoding books phonetically. This means that your child will be bringing home books that allow them to apply the phonemes that we have been teaching in school. The expectation is that the children will practising applying these phonemes daily to build fluency and confidence.

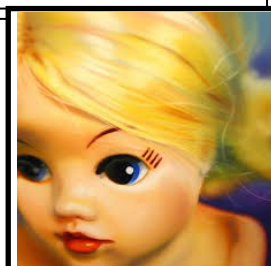

Books are changed once on a Friday, in line with the guidance from our new Phonics Scheme.

Here are some questions to ask your child when they read ,to help develop their comprehension.

- What does this... word/phrase/sentence... tell you about... character?
- Where/when does the story take place?
- What do you think will happen next? Why?

English

We will be reding the book Lost In The Toy Museum as a starting point to help us find out about toys from the past. We shall be making links in our art lessons by studying the work of Sarah Graham, an artist who has created a whole range of paintings on toys from the past. Look out as the children might be writing to you or their grandparents to discover what toys you played with.

If you have any questions or concerns, we are always happy to speak to you, please make an appointment through the office as early morning on the door is a very busy time.

Thanks

Mrs Acott, Mrs Collins.
