### **Words**

#### **1. There's a brass band in the bandstand**

There's a brass band in the bandstand,  
It's the best band in the whole land.  
There's a cornet, baritone, a tuba and trombone.  
Tuba, tuba, tuba, tuba.  
Cornet and a baritone, a trombone.

#### **2. Summer Days**

Long, hot summer days,  
A time for Sun,  
A time for fun,  
A time for ice cream always running down your arm  
and dripping off the end of your elbow.

#### **3. Winter Coat**

It's c-c-c-cold  
t-t-t-to-day,  
w-w-w-w- winters well on the way,  
ch-ch-ch-ch-chattering t-t-t-teeth,  
s-s-s-s-spring will be such a relief

Rivers an' puddles 'll freeze,  
Icicles hang from the trees,  
Chilling your toes an' your knees  
This time of year!

Tie your scarf around your throat  
And don't forget your winter coat!

#### **4. You shall go out with joy**

You shall go out with joy and be led forth in peace,  
And the mountains and the hills shall break forth before you.  
There'll be shouts of joy and the trees of the field  
Shall clap, shall clap their hands.  
And the trees of the field shall clap their hands,  
And the trees of the field shall clap their hands,  
And the trees of the field shall clap their hands,  
And you'll go out with joy.

### **5. Tongo**

Tongo, Tongo,  
chimné bahé, bahé, oh,  
chimné bahé, bahé, oh,  
Oo away, Oo away.  
Balay kalow away.

### **6. Calypso**

Anytime you need a calypso,  
Here is what you must do:  
First of all you take a rhythm,  
And shake a little, shake a little, shake a little shaker,  
And you bang a drum,  
And you sing and strum,  
And then there's a calypso for you.

### **7. Sailing**

I am sailing, I am sailing home again 'cross the sea.  
I am sailing stormy waters  
To be near you, to be free.

I am flying, I am flying like a bird, 'cross the sky.  
I am flying, passing high clouds,  
To be with you, to be free

Can you hear me?  
Can you hear me through the dark night far away?  
I am dying, forever trying  
To be with you, who can say?

We are sailing, we are sailing home again 'cross the sea.  
We are sailing stormy waters,  
To be near you, to be free.

### **8. School Dinners**

What did you have for dinner today?

What did have at school?

What did you have for dinner today?

What did you have at school?

We started with crisps,  
bottle of pop and nibbled a hula hoop,  
Minestrone, mulligatawny,  
Cream of tomato soup!

Steak and onions  
And bangers and mash,  
Vegetarian stew,  
Yorkshire pudd'n', that's really good  
'n' a lot more too.

Rhubarb, custard, rice pudding and prunes,  
Things we adore  
But if we have more  
We'll only sing out of tune!

### **9. The Hand Jive**

We can do the hand-jive,  
We can do the hand jive,  
We can do the hand jive, Yeah!  
Oh baby. (Repeat)

Watch us do the hand-jive,  
Us do the hand-jive,  
Us to the hand-jive  
Oo \_\_\_\_\_ (Repeat)

Do it, do it  
Do the crazy hand-jive. (Repeat)

### **10. See Me**

It's the moment I've been waiting for,  
Know the lyrics and rehearsed the score;  
All I have to do is cross the floor,  
And take a deep breath and drop my jaw,  
But my stomach feels queasy and my throat is sore.

Ev'ry second lasts for evermore,

Heart is beating with a thund'rous roar;  
Suddenly it's go, I cross the floor,  
I'm ready to burst as my spirits soar,  
And I take a deep breath as I count to four:

*See me, standing in the light,  
See me, spread my wings in flight,  
See me, sailing like a ship at sea;  
See me, standing on my own,  
See me, steady as a stone,  
See me, singing all alone:  
See me.*

Can't believe I really made it here,  
Thought my nerves would never disappear,  
Train was late, I nearly died of fear,  
And Mum got worried so she shed a tear,  
And she kept on asking:  
"Have you got the right gear?"

But we made it, and I'm really here,  
After training so hard all the year,  
It's my dream that's made me persevere,  
My dream that's always been so bright and clear,  
For this moment when the audience applaud and cheer.

*See me, standing in the light,  
See me, spread my wings in flight,  
See me, sailing like a ship at sea;  
See me, standing on my own,  
See me, steady as a stone,  
See me, singing all alone:  
See me  
See me  
See me  
See me*

### **12. A Tall Story**

My big brother is really, really tall,  
So when he's standing next to me  
He can't see me at all;  
His head's above the snowline  
So his hair gel's antifreeze,  
I try to look him in the eye,  
But I only see his knees!

My big brother, I wish I were like him,  
'Cos I'm all short and dumpy  
And me brother's tall and slim;  
He makes me green with envy,  
He's got ev'rything and more,  
I think if I were big enough  
I'd sock him on the jaw!

My big brother is getting past his best,  
He used to be a superman  
But now he's just a pest;  
I think he's getting past it,  
He's twice as old as me,  
'Cos next week I'll be one and a half,  
And he'll be nearly three!

### **13. Thank you very much!**

Thank you very much, it's been very nice.  
I've had a very good time, I'd like to do it twice,  
So if you've got a moment, ring me up and tell me when,  
Then I'll put it in my diary and we'll do it all again.

Do dee do dee do,  
Do dee do dee do dee.  
Do dee do dee do.  
Do dee do dee do dee.  
Do dee do dee do  
Do do do do  
Do dee do do.

Singing all together, ev'ry girl and boy.

Ev'rybody singing a song, ev'rybody singing a song.

Ev'rybody sing all day long, ev'rybody sing all day long.

La la la la la la,

La la la la, la la la la la la.
