Attendance Policy

1. Aim of this policy

- 1.1. To support excellent levels of attendance for all pupils to enable fulfilment of their potential at The Howard Academy Trust.
- 1.2. This policy has been prepared with regard to the Academy's statutory duties relating to attendance, including those set out in the Department for Education's statutory guidance entitled *Working together to improve school attendance* (2024), which is referred to in this policy as the "DfE Attendance Guidance".

2. Key principles

- 2.1. High levels of attendance and punctuality levels are promoted and rewarded.

- 2.3. Where attendance or punctuality fall short of expected standards, steps will be taken to address this and sanctions may be applied in accordance with the behaviour policy.
- 2.4. Some pupils find it harder than others to attend school. The Academy will work with pupils, parents and other local partners to remove any barriers to attendance.
- 2.5. Subject to the terms of this policy, any day-to-day attendance issues that parents or pupils have should be discussed with the class teacher or Form Tutor. Where more detailed support around attendance is required, parents and pupils should contact the Academy's Senior Attendance Champion.

- iii. share effective practice on attendance management and improvement across its academies
- iv. hold termly attendance review meetings with the Academy

3.7. The board of directors will:

- vii. regularly review attendance data, discuss and challenge trends and help Academy leaders focus improvement efforts on the individual pupils or cohorts who need it most

1.1 [require the Academy to report to the trustees on the Academy’s attendance at regular intervals]

4. Registration

4.1. The Academy maintains an attendance register and uses this to record each pupil’s attendance at the start of the school day and again in the afternoon.

Academy	Phase	Morning		Afternoon	
		Start	End	Start	End
Miers Court Primary	EYFS	8.40am	12.00pm	1.00pm	3.15pm
	KS1 and KS2	8.35am	12.00pm	1.00pm	3.25pm

- 4.2. Pupils who arrive after the start of a registration session but before the end of the registration session will be marked as late. Where pupils arrive after the end of a registration session, the process set out at section 5 applies.
- 4.3. The register is marked using the national statutory attendance and absence codes which can be found in the DfE Attendance Guidance.
- 4.4. Where a pupil attends a registration session but does not attend subsequent lessons, we will treat this as a truancy and non-attendance matter in accordance with the behaviour policy and engage parents where necessary.

5. Late arrival

- 5.1. If a pupil arrives at the Academy after the relevant registration period has ended but within the relevant session, they must immediately go to the Academy office to sign in and provide a reason for the lateness to enable the Academy to establish the appropriate attendance or absence code. In the absence of a satisfactory explanation, the register will be marked as unauthorised absence.
- 5.2. Persistent lateness will be treated as a disciplinary matter and will be dealt with in line with behaviour policy.

6. Reasons for absence and how to report or request authorisation

- 6.1. **Authorised absence** - absence will only be authorised where the Academy has given approval in advance for a pupil to not be in attendance or has accepted an explanation offered afterwards as justification for the absence. Only the Academy can authorise absence.
- 6.2. **Unauthorised absence** - absence will be marked as unauthorised where the Academy is not satisfied with the reasons given for the absence.

Reporting absence from the Academy

- 6.3. Where a pupil is to be absent from the Academy without prior permission, the parent/carer should inform the Academy by telephone on the morning of the day of the first absence and let the Academy know when they expect the pupil to return. If the return date is not confirmed on the first day of absence, parents/carers must contact the Academy on each day of absence.
- 6.4. On the day of return to the Academy, parents must also provide written confirmation of the reason(s) for the full period of absence.
- 6.5. Any unexplained absence will be followed up by the Academy promptly.
- 6.6. In cases where the academy needs clarification to accurately record the absence in the attendance register, the parents/cares may be asked to provide the Academy with medical evidence, such as a note from the child's doctor to support an absence for illness. If satisfactory evidence is not provided, the absence may be marked as unauthorised.

Appointments

- 6.7. Medical, dental and other essential appointments for a pupil should take place outside of school hours where this is reasonably possible.
- 6.8. Where an appointment must take place during school time, the pupil should attend the Academy for as much of the day as possible and as much prior notice as possible should be given to the academy.

Leave of absence (including holidays during term time)

- 6.9. The Academy will grant permission for a pupil to be absent from school in the circumstances described in paragraph 37 of the DfE Attendance Guidance which can be summarised as follows:
- i. taking part in a regulated performance or employment abroad
 - ii. attendance at an interview for entry into another educational setting or future employment
 - iii. study leave for public examinations
 - iv. temporary, time-limited part-time timetable
 - v. other exceptional circumstances.
- 6.10. Parents and carers should make every effort to avoid taking pupils out of education for holidays or other extended leave during term time.
- 6.11. To request a leave of absence, parents/carers must make the request in advance and in writing addressed to the Principal and, wherever possible, at least 4 school weeks ahead of the planned leave.
- 6.12. Where a leave of absence is requested as above, the Principal will consider the specific facts and circumstances relating to the request. The decision:
- i. will be confirmed in writing
 - ii. is solely at the Principal's discretion and
 - iii. is final.
- 6.13. Where permission is granted, the Principal will confirm the number of days and dates of absence which are authorised.
- 6.14. If permission is not granted and the parents/carers proceed to take their child out of the Academy, the absence will be marked as unauthorised and parents may be issued with a penalty notice or be subject to prosecution by the local authority (see section 7 below).

Religious observance

- 6.1. We recognise that pupils of certain faiths may need to participate in days of religious observance. Where a day of religious observance:
- 6.2. falls during school time and
 - 6.3. has been exclusively set apart for religious observance by the religious body to which the pupil belongs,
 - 6.4. the absence from the Academy will be authorised.
 - 6.5. We ask that parents/carers notify the Academy by writing in advance where absence is required due to religious observance.

7. Addressing poor attendance and punctuality

- 7.1. The Academy will use data to target attendance improvement efforts to the pupils or groups of pupils who need it most. In doing so, the Academy, led by the SAC, will:
- i. monitor and analyse weekly attendance patterns, proactively using data to identify pupils at risk of poor attendance
 - ii. provide regular attendance reports to class teachers and relevant leaders
 - iii. identify pupils who need support from wider partners as soon as possible and deliver this support in a targeted manner
 - iv. conduct thorough analysis of half-termly, termly and fully year data to identify patterns and trends
 - v. benchmark Academy attendance data at each level against local, regional and national level
 - vi. monitor the impact of academy strategies and actions to improve attendance on particular pupils and particular groups
 - vii. work with the local authority and other local partners to identify groups

- viii. hold regular meetings with the parents or carers of pupils who the Academy and/or local authority consider to be vulnerable
- 7.2. Our procedures for managing unexplained absences can be found on each Academy's website and in their attendance procedures (*see appendix*)
- 7.3. Where absence or punctuality is a cause for concern, for example because there is:
 - i. a pattern of unauthorised absence
 - ii. a question over the reasons provided for a particular absence or late arrival
 - iii. persistent truancy or lateness
- 7.4. we will make contact with the parents/carers with a view to working together to support improved attendance and/or punctuality.
- 7.5. In cases where the Academy has been unable to establish a clear reason for absence and/or has welfare concerns about the pupil, a home welfare check may be carried out.
- 7.6. Failure to attend or arrive at lessons on time may also be dealt with as a disciplinary matter in accordance with the behaviour policy.
- 7.7. Absence will be classed as persistent where it falls below 90% across the academic year. Absence at this level is very likely to hinder educational prospects and we expect full parental co-operation and support to urgently address these cases. Intervention steps may include implementation of an attendance action plan, referral to other agencies and/or seeking to put in place an attendance contract.
- 7.8. Where out of school barriers to attendance are identified, the Academy will signpost and support access to any additional services.
- 7.9. Where parents/carers have failed to ensure that their child of compulsory school age is regularly attending the Academy and wider support in accordance with this policy is not appropriate or effective, we may consider issuing a penalty notice. A penalty notice is a financial penalty (£80 if paid within 21 days, £160 if paid within 28 days) imposed on parents which is intended to change behaviour without the need for criminal prosecution.
- 7.10. This will be considered when a child misses 10 unauthorised sessions in a rolling 10-week period.
- 7.11. When considering whether to issue a penalty notice, we will have regard to:
 - i. the National Framework for penalty notices as set out in paragraphs 175 - 201 of the DfE Attendance Guidance; and
 - ii. the local authority's Code of Conduct for issuing penalty notices.
- 7.12. The Local Authority can issue a maximum of two penalty notices within a rolling three-year period:
 - i. First offence - The first time a Penalty Notice is issued the amount will be: £80 per parent, per child paid within 21 days. This increases to £160 per parent, per child if paid after day 21, until day 28. Any non-payment of the Penalty Notice may be referred to the Magistrates Court.
 - ii. Second Offence (within 3 years) - the second time a Penalty Notice is issued the amount will be £160 per parent, per child paid within 28 days. Any non-payment of the Penalty Notice may be referred to the Magistrates Court.
 - iii. Third Offence and Any Further Offences (within 3 years) - the third time an offence is committed a Penalty Notice will not be issued, and the case may be presented straight to the Magistrates' Court under s.444 of the Education Act (1996) or other legal interventions considered. The Magistrates' Court can order fines up to £2500 per parent, per child.
- 7.13. Any holiday-related absence taken that includes 10 sessions in 10 weeks, may result in a Penalty Notice. In this instance, a 'Notice to Improve' notification will not be issued beforehand. The Local Authority may proceed the case to court.
- 7.14. In the event that a penalty notice is issued but is not paid within 28 days, the local authority will decide whether to proceed to prosecution. The local authority also has

separate powers to prosecute parents if their child of compulsory school age fails to attend school regularly.

- 7.15. Fixed Penalty notices will escalate if the absence continues to not reach the expectations or deteriorates over a rolling 3-year period.
