**There Once Was A Guy With A Ping-Pong Ball**

There once was a guy with a ping-pong ball,  
there once was a guy with a ping-pong ball,  
there once was a guy with a ping-pong ball,  
with a ping, with a ping-pong ball.

There once was a guy with a ping-pong, ping-pong,  
ping-pong, ping-pong, ping-pong ball,  
there once was a guy with a ping-pong, ping-pong,  
ping-pong, ping-pong, ping-pong ball.

There once was a guy with a ping-pong, ping-pong,  
ping-pong, ping-pong, ping-pong ball,  
there once was a guy with a ping-pong, ping-pong,  
ping-pong, ping-pong, ping-pong ball.

Ping, ping, ping, ping, ping, ping, ping, ping, ping-pong.

There once was a guy with a ping-pong ball,  
there once was a guy with a ping-pong ball,  
there once was a guy with a ping-pong ball,  
with a ping, with a ping-pong ball.

Well I should say.

Sunday roast dinner...

## **After a Storm**

After a storm there's a magical light when  
the storm-clouds part  
and the world's alright;  
and the sun streams through and the air is clear,  
and the birds sing out that the sun is here.

1. Calm the storm and welcome the light.
2. Magical light, magical light.
3. Sun and the air is clear.
4. After the storm there's a magical light.

## **Are We There yet?**

We're going on a journey for a summer holiday,  
we're heading for the seaside 'cos that's where we're gonna stay.  
We know where we are going,  
the driver knows his way;  
I can't believe we're going on a holiday today.

1. Are we there yet? No, we're not!
2. I spy with my little eye something beginning with 'C'.
3. Who wants a sandwich? Another piece of cake?
4. Quick! Quick! I feel sick!

## **Humming Around**

Humming around, humming around,  
Mm... humming around.  
Nothing in the universe has such a lovely sound as humming around,  
humming around, humming around.

## Many Shades of Blue

If you stand and watch the sky all day and night,  
If you stand and watch the sky in the changing light,  
You can see it's sometimes dark and sometimes bright,  
There are many, many shades of blue.

*Colours in the morning colours in the evening,  
Colours in the clouds where the sun shines through,  
Colours up above and colours down below,  
There are many, many shades of blue.*

If you stand and watch the sea all day and night,  
If you stand and watch the sea in the changing light,  
You can see it's sometimes dark and sometimes bright,  
There are many, many shades of blue

*Colours in the morning colours in the evening,  
Colours in the waves where the fish swim through,  
Colours up above and colours down below,  
There are many, many shades of blue.  
There are many, many shades of blue.*

## **Let There Be Peace On Earth**

Let there be peace on earth,  
And let it begin with me,  
Let there be peace on earth,  
The peace that was meant to be.  
With God as our Father,  
Brothers all are we.  
Let me walk with my brother,  
In perfect harmony.

Let peace begin with me,  
Let this be the moment now;  
With ev'ry step I take,  
Let this be my solemn vow:  
To take each moment and live each moment  
In peace eternally.

Let there be peace on earth,  
And let it begin with me, with me!

## **Tzena, Tzena, Tzena**

1. Tzena, Tzena, Tzena, Tzena,  
can't you hear the music playing in the village square?  
Tzena, Tzena, Tzena, Tzena,  
can't you hear the music playing in the village square?

2. Tzena, Tzena, join the celebration,  
There'll be people there from every nation,  
Dawn will find us dancing in the sunlight,  
Dancing in the village square.

3. Tzena, Tzena, (*clap*) join the celebration,  
There'll be people dancing there from every nation,  
Dawn will find us (*clap*) dancing in the sunlight,  
dancing, dancing, Tzena, Tzena, Tzena!

## **When I Needed a Neighbour**

1. When I needed a neighbour were you there, were you there?  
When I needed a neighbour were you there?

*And the creed and the colour and the name won't matter, Were you there?*

2. I was hungry and thirsty, were you there, were you there?  
I was hungry and thirsty, were you there?

*And the creed and...*

3. When I needed a shelter, were you there, were you there?  
When I needed a shelter, were you there?

*And the creed and...*

4. Wherever you travel, I'll be there, I'll be there,  
Wherever you travel, I'll be there.

*And the creed and the colour and the name won't matter, I'll be there.*

## **Penguin**

Consider the penguin.  
He's smart as can be,  
Dressed in his dinner clothes permanently.  
You never can tell,  
When you see him about,  
If he's just coming in or just going out!

## **Puffin**

Oh there once was a puffin just the shape of a muffin and he lived on an island in the bright blue sea!

He ate little fishes that were most delicious and he had them for supper and he ate them for tea.

But this poor little puffin, he couldn't play nothin' for he had got no one to play with at all.

Oh there once was a puffin just the shape of a muffin and he lived on an island in the bright blue sea!

He ate little fishes that were most delicious and he had them for supper and he ate them for tea.

So he sat on his island and cried for a while and he felt very lonely and felt very small.

Then along came the fishes and they said, 'If you wishes you can have us for playmates instead of for tea!'

So they now play together in all sorts of weather and the puffin eats pancakes like you and like me.

## **Amani Utupe**

As we travel down this weary road,  
amani utupe na ustawi.  
We need strength to carry on our load;  
amani utupe na ustawi.

*Grant us peace, give us courage.  
Amani utupe na ustawi.  
Grant us peace, give us courage.  
Amani utupe na ustawi.*

Road is rocky and the way is dark.  
Amani utupe na ustawi.  
Ev'ry road has a diff'rent fork.  
Amani utupe na ustawi.

*Grant us peace, give us courage ...*

Hallelujah, hallelujah!  
Amani utupe na ustawi.  
Hallelujah, hallelujah!  
Amani utupe na ustawi.

*Grant us peace, give us courage ...*

Grant us peace, give us courage.  
Amani utupe na ustawi.

Amani utupe na ustawi.

## **Sailing**

I am sailing, I am sailing home again 'cross the sea.  
I am sailing stormy waters  
To be near you, to be free.

I am flying, I am flying like a bird, 'cross the sky.  
I am flying, passing high clouds,  
To be with you, to be free

Can you hear me?  
Can you hear me through the dark night far away?  
I am dying, forever trying  
To be with you, who can say?

We are sailing, we are sailing home again 'cross the sea.  
We are sailing stormy waters,  
To be with you, to be free.

## **Singing All Together**

Singing all together, singing just for joy.  
Singing all together, ev'ry girl and boy.

Ev'rybody singing a song, ev'rybody singing a song.  
Ev'rybody sing all day long, ev'rybody sing all day long.

La la la la la la,  
La la la la, la la la la la la la.  
La la la la la la,  
La la la la, la la la la la la la.
