Note from Mrs Fordyce

Wow, the weeks are flying past !! This week has been a busy one particularly for our Year 6 children who have done their final practice week for the SATs on the 11th May. They have all worked so hard and showcased their learning. The SATS are a great way for them to show everything that they have learned during their time at Miers Court and also to be shared with their new Secondary Schools. Well done Year 6, we are VERY proud of you!

We are working to ensure that our children are in school and ready to learn at 0850 so please try to support us with this as it is tricky for teachers and children when they join half way through a lesson - thank you !

Today is Break the Rules day and once I had persuaded all of the staff to get out of bed and into school, we have had a fantastic day and the children have enjoyed themselves. Have a lovely weekend and we will see you on Monday ready for the final 4 days of Term 4.

ECO

Battery Recycling - This week we have **201** batteries, thank you. We submit our total to the Duracell website each week. We also collect empty, clean bread wrappers and used ink cartridges (domestic only, please), which we give to Gillingham Street Angels, who receive a small amount of money for them. This money is used to help fund the projects that they run, for example, the soup kitchen and food bank.
