

EYFS Newsletter

A brilliant start for all!

Firstly, we would like to say how well the children have settled into school! We are very proud of each and every one of them and we hope you feel the same way too. Thank you for your support with this smooth transition from home to school after a wonderful summer break.

book has been sent home before, we do send the same book home more than once to build on fluency. Repetitive reading allows a child to read with fluency with less stopping and starting. These books will follow the sounds your child has been taught in their phonics session.

Miers Court Primary School

September 2026

Library books

We are going to be visiting the library each Monday and children will be able to bring a book home. We ask that library books are returned on a Monday so we can issue your child with a new book.

Phonics

We will shortly be sending home some more information about how phonics is taught in our school. Our phonics programme is called Essential Letters and Sounds. If you would like further information about this programme, please follow the link below which will take you to our school website.

Book bags

It is fantastic that so many children have a book bag. These are easier to store in their trays than a back pack. All letters and contact books will be in book bags so please could you check these each day.

Reading books

Once the children have settled into school and we have started our phonics sessions, we will be sending home a reading book and reading record. We will be changing books once a week at this stage on a Friday. Please sign the reading record book and write a comment so we know to give them a new book. If you notice that a

P.E

PE will officially start after half term and will take place on Tuesdays. PE sessions will be indoors. We will send out more details via Dojo nearer the time.

We are, however, very lucky to have four balance bike sessions this term: two for Bumblebee Class and two for Dragonflies. During these sessions, the children will learn to ride a balance bike while taking part in lots of fun games and activities.

This term, we will also be focusing on helping the children to become more independent by encouraging them to put on their own coats and to unpack and pack their school bags. These are important skills that support their confidence and development. It would be a great help if you could encourage and practise these skills at home with your child.
