Miers Court Fireworks Night

We are pleased to share the news that Fireworks Night is returning this year. After a huge success and a complete sell out last year we are doing it again - but this time with some improvements.

We are taking what we learnt from last year and have added more food trucks including the viral @spudbae with their jacket potatoes. All of which will be up in the car park creating more space on the playground and field for our spectators.

We have a performance from a fire eater, toasting marshmallows/smores station, DJ, glow stall plus lots more and of course the very best fireworks display around.

Get your tickets before they sell out using this link or the QR code on the flyer.
