EYFS Newsletter

Welcome back!

Celebrations

Our topic this term is Celebrations! We will be learning about different special occasions, including Bonfire Night, Christmas, and other important celebrations from around the world.

We would love to hear about any special celebrations your family takes part in, so we can share and talk about them with the children in class. Please let us know if you would like to send in photos, objects, or stories to help us learn more about your family's traditions.

Reading

By now you and your child should be familiar with the routine of reading books. The children have been learning how to sound out and blend to read words. They may find the skill of blending quite challenging so continue with lots of oral blending at home, modelling and blending the sounds together will be needed at this stage. Please could you sign the reading record book and write a comment when your child has read. We will continue to change reading books once a week on a Thursday and children will be reading as a group at least twice a week.

Library

We will continue to go to the library every Monday. The children really enjoy choosing new books to take home and share with their families. Please remember to return library books each Monday so your child can borrow a new one. Thank you for helping to foster a love of reading at home!

Phonics

We hope you are still finding the phonics resources useful at home. We are sure you will agree that the children are making amazing progress with their phonics and reading. We will continue to let you know each Friday via Dojo which sounds, words and harder to read and spell words we have covered through the week so that you can embed this learning at home.

Nativity

Year R Nativity performances will be on Tuesday 9th December, in the afternoon. Times will follow in due course so please look out for this. We will be allocating parts over the few weeks and sending home information about costumes that we may need some help to provide for the children. We do have a small supply of costumes available to borrow so we will organise a time when parents can pop in after school to see if there is something of use.

P.E.

Our **PE day is Tuesday**. Please make sure your child comes to school in their PE kit on this day.
PE kit should include:
A plain coloured T-shirt
Navy or black jogging bottoms or short
A navy or black jumper.
This term, we will be exploring playground games, helping the children to develop their physical skills, teamwork, and confidence while having lots of fun!

Coats and Zips

Please continue to help your child practise putting on their own coat and fastening zips independently. Many of the children still find this quite tricky, particularly when sleeves are inside out. Developing these skills

Miers Court Primary School

November 2026

Dates for your diary:

5.11.26—Harvest Festival

13.11.26—Children in Need
